Nopy's is a known brand for ayurvedic products from God's own Country with the abundant blessing of pure and natural products. The products are certified by parent company Cocos Bouldaris. Our mission reflects in our tagline - Live Natural. Nopy's is a brand that emerged with the aim to bring the ancient recipes of health and skincare in an effective package.

## Baby Cream

The mildest care for your baby's skin. We care for your child like a mother and ensure only the best and purest moisturizing and nourishing cream for the delicate skin. Manufactured with the guidance of experts and tested for the highest quality. The baby cream is made purely out of the goodness of almond oil, aloe vera and virgin coconut oil. The virgin coconut oil enhances the skin of your newborns and takes care of it mildly.

## Baby Oil (Durvadi Oil)

Nopy's Durvadi Baby Oil is a complete health package for newborns and babies. The oil is prepared with the reference of ayurvedic recipes written in SAHASRAYOGAM -The 1000 Formulations. The ingredients of the Durvadi oil includes Virgin Coconut Oil, Cynodon dactylon, commonly called Karuka or Durva Grass along with other medicinal ingredients in a mild ratio.

## Charcoal Body Wash

Blend the benefits of charcoal with the natural care of Ayurveda. Nourish your skin and body with Charcoal Body Wash and get clean moisturized and problem-free skin. Your skin deserves only the best. So always care for it with the best. Made from the naturalness of Coconut Shell Activated Charcoal, Tea Tree Oil and Aloe Vera.

## Immunity Rasayana

Your body is everything. Keep it healthy and strong with Nopy's Immunity Rasayana. Boost your immunity and energize your daily life with the power of Triphalas and Virgin coconut oil made with farm fresh matured coconuts. Ensure complete health care with a signature of Ayurveda. The high nutritional value of Gooseberries, Turmeric, Ashwagandha, Terminalia Chebula (commonly called Kadukka) and Virgin Coconut Oil makes it the best daily dose of immunity and strength. It is a rare combo of virgin coconut oil and recommended immunity enhancing ingredients recommended in Grandhas. 50% of Virgin coconut oil with lauric acid (C-12) itself is a great immunity booster.
